SUGAR GLOW RUB

We highly recommend this tropical sugar scrub for the beginning of your island stay. A perfect way to revive dead, dull skin cells that inhibit the tanning process. Begin with a traditional Fijian massage using premium Pure Fiji oils, followed by a gentle exfoliation with a sugar scrub to reveal a glowing, rejuvenated appearance to your skin.

AFTER SUN RESCUE BANANA WRAP

The Dilo Rescue Wrap is an ideal treatment whether you have had a day in the sun or simply want to rejuvenate and refresh your skin. For this treatment we use Dilo Rescue Gel, an amazing product that enhances the skin's own repair mechanism, accelerating the growth of healthy skin. Relax as this luxurious product is gently massaged over your entire body and enjoy its soothing effect.
